M' AINM / MY NAME:

GNÌOMH AN-DIUGH / TODAY'S ACTIVITY:

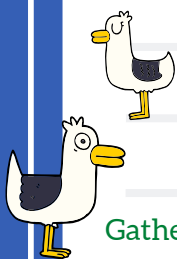

Write a story inspired by the shore.
Sgrìobh stòraidh mun chladach.

If your kids love writing, then get those creative juices flowing with a story challenge. Kick things off by giving them the first sentence and encouraging them to write the rest of the story.

There are some mysterious footprints to follow. Is that a dinosaur footprint in the sand? Is that a pirate ship we see on the horizon? What are those birds talking about!?

You could also jot ideas on scraps of paper, then get kids to choose some at random that they have to incorporate into their story. If you need more paper to write or draw, use the back of this sheet.

Gather together as a family and share the stories you've written. They'll make great bedtime stories too when you've read all the books you have at home. We hope these ideas help you enjoy your time together while your children are at home.

Draw a picture about your story! A-nis dèan dealbh a thèid an cois a sgeulachd!
